BIOGRAPHY

Shan Nash was born in Balochestan. Shan Nash’s collective music, part self-produced, captivating other-worldly sounds, part extended live performances that transport audiences to the most majestic and dreamy lands across the globe is the raconteur of his life’s journey.

A Producer and DJ, Shan embodies the intrinsic characteristics of a true artist: passion, love, empathy and the desire to connect every soul through his calling. Shan has found himself in L.A. via Istanbul, where he further developed his musical skills. Aside his monthly residency, Shan continues to cast his musical spells across the world through his long format sets, while continuing to add to his collection of remixes and productions
